

2016 Southern Eventing and Dressage Association Report

Our current membership is 156 people.

Educational events - We hosted a freestyle clinic with Cynthia Collins. We had a decent number of participants, but would have liked more.

How are shows? Our Le Bon Temps Dressage was the biggest it's been in awhile. Not sure of the cause, maybe because it was over Memorial Day Weekend or because we hosted our 1st level 3 show. Problematic was the volunteer situation. Many of our members were out of town. The March First Dance was a smaller show, not run by our club.

We hosted 1 schooling show for Juniors. It is always a popular event. We have several other schooling shows and they are well attended.

Le Bon Temps and our Fleur De Leap horse trials (schooling and recognized) for were our 2 successes during the year.

We try to be supportive of the region and generally donate to the Region 9 junior teams and other Region 9 events if asked.
