

## **Central Texas Dressage Society 2018 Summer Report**

CTDS started the 2018 year out in January with our first mini(schooling) show. In spite of the cold weather our brave member competitors came out to start the year.

CTDS(Central Texas Dressage Society) currently has approximately 160 active members.

We have scheduled for this year:

9 mini (schooling) shows, one - one day rated shows

Three clinics/symposium – One free, member only, clinic with instruction donated by CTDS USDF Bronze medal member Marsha Lewis. We had such a positive experience with Betsy Steiner, it was decided to have her be our instructor again for the annual symposium. Joan Darnell was the CTDS judge for the Bluebonnet Classic rated show. We were fortunate to have her stay and extra day and give a clinic.

The CTDS Facebook page has 2052 “friends”. The CTDS page keeps people informed of all of our events, news, educational articles and dressage related sales.

Hulsebos Saddlery has generously donated a saddle for a raffle for this year. Tickets are \$10 each. The drawing will be held during our 2018 Awards Banquet.

### **2018 UPDATES**

CTDS will not be hosting a rated show in 2019.

### **2019 Announcements:**

9 mini shows

Symposium – TBA

Health/Wellness day
