## EDUCATION:

Scribing Clinic - held annually - use of On The Level videos - sample tests, etiquette of scribes, etc.

Members who have taken this clinic have volunteered at Championships, eventing shows and breed shows.

Summer Education Day - This is a 1/2 education day with pot luck lunch.

We are planning trailer maintenance expert, feed expert, scribing session, and a session with a horse - not sure what yet. last year was very well attended.

Monthly meetings - always well attended. We have various speakers.

LOW COST CLINIC - this year Kristin Currie - "L" graduate - was our clinician. A member donates her facility with covered arena and sound system. We have pot luck - clinic was full and very well received. It is a great opportunity for riders and auditors to learn from a professional and we had many levels of riders. A big thanks to Four Friends Farms for donating their wonderful facility.

RECOGNIZED SHOW - FWDC puts on one show a year (actually two shows over one weekend). We were full with a waiting list. Saturday was wear red for Wings of Hope and we donated proceeds from a class to them and everyone who wore red were in a drawing for a saddle pad with FWDC logo. FWDC had their usual Friday night reception and it was packed with great food. Judges commented on how well run show was and what great volunteers FWDC has!

SCHOOLING SHOW- FWDC had its June schooling show and had a short day but made a profit.

ADULT CAMP- We held our annual Adult Camp with Lurena Bell at Noble Champions Sporthorses. The Dressage Foundation helped out with a grant -we had 10 riders that received two private lessons and a group lesson. Lessons, stabling, lunches and a lecture session were included. The camp was very successful and we already have a grant from TDF for this year.

AWARDS BANQUET AND SILENT AUCTION - FWDC hosted its annual awards banquet and silent auction to benefit our scholarship Fund in Jan. Great turn out, lots of awards!

SUMMER POOL PARTY - Annual pool party and cook out. Great food, cool pool ad margaritas and sangria!

SCHOLARSHIP FUND - FWDC offers members who volunteer funds to further advance their dressage training .

MONTHLY NEWSLETTER- and group e-mails to keep members informed.

MONTHLY COLUMN - FWDC has a monthly column in SW Horsetrader - to let community know of our activities and also pictures of members achievements.

HOLIDAY GET TOGETHER - Members attend a local pub for gag gifts, great food and companionship
