

2018 Jr/YR Report

The 2018 Jr/YR Clinic was held in June at WV Dressage in Waller, Texas. USDF President, George Williams, was the guest clinician. Eight Jr/YR's from around the region participated. The clinic was well-attended by more than 50 auditors on Saturday.

The NAYC Championships are being held in North Salem, New York this weekend. Due to varying reasons, Region 9 sent only one Junior rider, Elisabeth Martin, from Waxahachie, Texas.

Elisabeth will join riders from Regions 6 and 7 to form a combined team. Each of these regions also sent only one rider.

Benny Pfabe and I have agreed to work together next year. Hopefully circumstances will be a little more conducive for more junior riders to compete.

Thanks!
Tracy Augustine
